## A CONVERSATION WITH CLAY

by Clay Parrett

After a quick google search, I discovered that 1,187 songs have been written that have the word "love" in the title. Don't get me wrong, there is nothing bad about that, but sometimes I think there are a lot of people who have a distorted view of "love". Perhaps from what they have seen in the movies, or read in books – it seems sometimes many people's view of "love" can seem a little shallow and often selfish. ENTER THE HEART OF GOD and turn the page! In the New International Version – the word "love" appears 551x's and we see a different story. A love that longs to give to others – not to receive for oneself. A sacrificial love – one that is unconditional. Please think on that .... Unconditional love. Love that is freely given and doesn't expect anything in return. Love that everyone is really longing for. That is the love of God. My prayer is that as 2019 unfolds for us, I pray we will lean into the unconditional love of God more and look for opportunities to display it for all our friends, neighbors, family, co-workers, classmates, and every person's path crossed to see. May He lead us into this year with great vision!

### 2 Corinthians 5:14-15 New International Version (NIV)

14 For Christ's love compels us, because we are convinced that one died for all, and therefore all died. 15 And he died for all, that those who live should no longer live for themselves but for him who died for them and was raised again.

Compelled to tell -  
Clay

## MEET CCY'S NEW ADMINISTRATIVE ASSISTANT

*Kathy Rumbo*

Kathy was born and raised in the small mining town of Klerksdorp, South Africa (you may have noticed the accent!). Her diverse career path has spanned from Safari Consultant to Realtor and everything in-between, giving new meaning to "Jill of all trades". She has lived in the US since 1996 living in different southern states and now has settled in Mustang, Oklahoma. For the past 15 years, she has been married to Marcus, her best friend and the love of her life. They met while working for American Airlines and have been inseparable ever since. Kathy enjoys learning new things, especially all things technology and can usually be seen with her Macbook under arm." When she is not working, she enjoys traveling with Marc and loves exploring different cities and cultures, soaking up some sun by the pool with a good book or lounging on a beach somewhere. Kathy is always willing to lend a hand and is caregiver to her 87 year old Grandma who currently lives with them and is a dog parent to a loving German Shepherd.

## CCY NEWSLETTER & SURVEY

Did you know that church newsletters are back and again considered a preferred means of communication by readers!? They are and we're super excited to launch CCY's newsletter as an added way to communicate important church news and offer encouragement. Monthly issues will keep you "in the know" about upcoming church events, sermon series, children and youth activities, as well as highlighting different ministries and missions.

In a continuous effort to use resources wisely, the newsletter will arrive in your e-mail, with a few copies available at the Welcome Center for our guests and those without access to e-mail. You may even find a copy or two located in some unusual locations!

This is YOUR newsletter, so please follow the link below to vote on the name of the newsletter and preferences about content and features. Since much of the content will come from you, please share event photos, activity news, ministry updates by contacting the church office or e-mail content to [info@ccyok.com](mailto:info@ccyok.com).
