## Go Tell It!

by Tori Lambert - CCY Children's Director

*Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." Matthew 28:19-20*

Reaching out to the children and families of our community is something God has laid heavy on my heart this year. Every time I would pray about VBS He would whisper "Go make disciples". What does that look like for Christ's Church of Yukon? As we are preparing for VBS 2020 the vision is to focus on reaching out to the neighborhoods surrounding the church. Being the hands and feet of Jesus like we never have before.

The theme this year is "Go Tell It." Lesson time will take place on the lawn of the church, with worship and games taking place in the south building. In a way VBS has been simplified. Instead of focusing on decorating every inch of the building our focus will be sharing the gospel and introducing children to Jesus. On the last night Bibles will be given to each child as they get ready to leave and they will be invited to a special dinner the following Sunday. This dinner will be a time where the families of CCY can meet the families of the children that came to VBS. We will also have the baptistery open at this time for any kiddos who make that important decision to ask Christ into their hearts.

I am so excited for what God has planned for this event! The dates for VBS this year are June 1-3 from 6:00-8:30 and the family meal at 5:30 on June 7th.

# Disciples of Christ's Currency

"Making disciples" of Jesus is the currency. For our church to accomplish its mission and fulfill its calling, all resources, (including money), must be properly stewarded. Our church must pray and plan as a whole. Opportunities to increase income should not be ignored. Our church, like most others, cannot rely on just tithes and offerings in order to sustain and accomplish its mission and fulfill its calling. Our South building is providing some source of income, but just think about the potential to provide more services to our community and to our church family—we just all need to pray about those possibilities.

CCY's finances should be transparent and presented to you in a way that clearly sets forth a vision accompanied by details of what it will take to accomplish that vision. With the benefit of hindsight and revelation, (how we prayerfully view the future), our church leaders can allocate the church's existing budget and expected resources purposefully.

A church should use money to support the growth of the Kingdom, rather than being consumed by the amount of money in the bank or plagued by the lack thereof. Good stewards manage their money well by balancing the demands of the day-to-day with the need to invest in the future. The combination of knowledge (information), wisdom (planning), obedience (to biblical principles), and the power (the Holy Spirit), is the key to everything, including the stewardship of money.

As many of you know, Carol Kunzie has been training me the last several months in the area of managing our church's finances. She has taught me the meaning of being a true steward of the church's money. Believe me—she has had the patience of a saint with me! She saw something in me that I didn't know I had when she asked me if I was interested in learning about some of her responsibilities. I have learned it's not so much about the money, but how to be a Disciple of Christ's currency. Carol is a true Disciple of Christ's currency. The next time you see her, thank her for her stewardship and for her heart. I'm looking forward to the positive changes and new growth opportunities for CCY in 2020 - with a prayerful heart—

In Christ -
