## Hello 2021 !

I can't think of any year that so many have looked forward to the next - more. Who can blame them? The last 9 months have created such a fog and heaviness for so many. I do hope as we turn the page into 2021 we will look back and reflect on some of the good God brought to our attention as we went through such a difficult year. Maybe we EMBRACED our loved ones a little more. Not taking the small things for granted. Recognizing that there is beauty in simplicity. I myself have learned to leave the church a little early so I could throw the football with my 13 year old. (My shoulder still hurts).

I will look back at how this church family rose to the occasion and strived to meet the needs of the people in the church, by trying to keep people connected, even as people socially distanced. AND how the church rose to the occasion and raised over \$13,000 for foreign missions – to be used by our missionaries to buy food and needed supplies for their people. I am Thankful!

I often quote Jeremiah 29:11 and point to how God has a plan and purpose for each of us – but I love Jeremiah 29:13 – “You will seek me and find me when you seek me with all your heart.” If there's one thing you and I decide to do – individually and corporately- may it be this... seek God and embrace His plan for our lives in the New Year.

Starting Jan. 10th we will be looking at the Lord's Prayer in a series I am calling “Teach Us To Pray” - deepening our dependence on Him. In February we will look at Leadership within the local church as we are called to “Lead like Jesus”. In March will look at the Parables of Jesus in a series entitled “Stories that changed the world”.

May we EMBRACE this new year as God leads us!

# grow series

It's time...time to move past the hardships of the past year. Time to realize that what we have right now is our "new normal." Time to grasp the every day opportunities, blessings, and challenges given to each of us to encourage us to seek a deeper, richer relationship with our Father, Christ, and the Holy Spirit. Over the coming year, we will present a series of articles that we hope will challenge you to examine your relationship with God and cultivate any areas you find that could use a little attention. This series will explore a variety of topics, from prayer - to faith - to obedience, that will help you to more deeply root your life in Him. You may also notice this year that we will be using more action words in the newsletter to stimulate our growth as a church family through engagement in services (whether in person or on-line), involvement in small groups, Bible studies, children and youth activities, service opportunities, and giving. Together, let us grow deep roots that can withstand any storm that comes.

So then, just as you received Christ Jesus as Lord, continue to live your lives in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness.

*Colossians 2:6-7*
